Participant's Agreement

I understand that:

- ◆ I must maintain a 2.0 GPA and have no failing grades to participate in school sponsored field trips and activities.
- ◆ The use or possession of alcohol, tobacco (chewing or smoking), or drugs at any event, performance, rehearsal or practice will result in disciplinary action as prescribed by the CUSD Disciplinary Action Guide.
- ◆ I am financially responsible for any items issued to me and that items not returned or paid for will prevent me from participating in subsequent activities and could jeopardize my graduation.
- ◆ Serious or catastrophic injury can result from participation in rehearsals, practices and performances even under optimum conditions (equipment, teaching techniques, performance areas and surfaces, etc.)
- ◆ I am obligated to follow all rules established by my teacher, school, and the Coronado Unified School District at all activities, events, performances, rehearsals and practices.

Transportation Waiver

Coronado High School will attempt to provide transportation to activities and events within San Diego County. In many cases, however, revenue limitations may not allow this to happen. Transportation for any activity outside of the county is the responsibility of the club or class. District policy does allow for the transportation of students by private vehicles driven by parents and CUSD employees. This policy requires the drivers to register with the Transportation Office at the District and written permission from each participant's parent. In the event that it becomes necessary to transport participants to activities by private vehicle:

I, do _____ do not give my permission for my student to be transported to activities, events, rehearsals, practices and performances by teachers or parents driving private vehicles.

On-Island Field Trip Participation Form
For 2009-2010 School Year

Group/Class/Organization: Coronado School of the Arts

Teacher/Sponsor: Kris McClung Date: August 2009-June 2010

Your permission is required for your student to participate in activities throughout the school year that require transporting or moving students around the town of Coronado. These may include trips to other CUSD schools or movement to a site that provides a venue for club activities (i.e. trips to the Silver Strand School to interact with and mentor younger students or a trip to City Hall to make a presentation before the City Council.) These trips are normally short in duration and may result in the student being dismissed from the destination site if his/her school day has ended.

This permission form does not authorize any field trips or travel off the island, across the bridge or further south than the Coronado Cays. These off island events will be handled according to standard CUSD guidelines and require an additional signature from you on a document that will include a full explanation of the trip or activity.

Your signature below enables your student to participate in on-island field trips and activities during the course of the current school year.

My son/daughter, _____, has my permission to participate in any on-island activity during the current school year to include permission to participate in district and school sponsored activities and to travel with the group to events using transportation that qualifies under the CUSD regulations.
